

# Door of Hope

## Bring out the inner artist!

- Do you have an inner artist needing to be released?
- Do you dream of exhibiting your art?
- Do you want to do an art course, or take up art courses again, but haven't had the opportunity to do so?
- Have family & friends told you that your art/craft is great and you should sell it?
- Would you like to be able to exhibit your work or offer it for sale in gift shops and at markets?
- Have you been hampered by a belief that your work isn't good enough?
- Would you like to be introduced to the NEA community of artisans?

### North East Artisans & Tomorrow Today Foundation bring you the Door of Hope Project

During Term 1, 2017, the Door of Hope is offering two free courses to creative people in the Benalla community who have artistic capacity and dreams and are keen to develop and exhibit a work for exhibition and possible sale.

### Self Mapping through Art

Explore key questions about how you perceive yourself in relation to the world while being supported to create a unique piece of art for exhibition and possible sale. No genre of art is out of bounds. Possibilities include painting, stenciling, animation, film, projection, sound, jewelry, sculpture and textile work.

Teacher – Edie Black

Tuesdays and Thursdays 5.30pm - 7.30pm  
from February 21st (six sessions)

### From Fibre to Felt

Learn the basic techniques of wet felting: changing fibre to felt. Express your creativity and make an individual piece of "felt art". Felt can be made to create jewelry, bags, framed art, wall hangings, 3D objects such as decorative bowls or wearable art such as scarves to exhibit and sell at NEA.

Teacher – Annie Longmuir

Wednesdays 10.30am - 12.30pm  
from February 15th (six sessions)
