Cost: \$50 per child per session (all materials supplied)

Please book directly with me (Deb Dodd) by email to hilltopmosaics@gmail.com (or phone 0418252715)

What to bring:

- Glasses if you wear them for close up work (basic safety glasses will be available)
- Please wear enclosed shoes
- Snacks and a water bottle
- Firm fitting gloves (*only required if your child prefers to wear them when working with adhesives*)

Each child's project will be a wall hanging (no bigger than 30cm x 30cm) which is usually achievable for them to complete in one 3hr session (depending upon complexity of their design). In most cases grouting will be done by me and completed mosaics will be available for collection a few days after the workshop.

I have a current working with Children's check. **Each studio session is limited to a maximum of 4 participants.** As these are small group sessions, please only book if your child intends to come.

Payment is cash to me at start of session. A waiver form is required to be completed by a parent or guardian prior to the session. **Please bring your child to the studio and collect them from the studio** at the designated times (unless you have discussed an alternative arrangement with me such as your child walking home). Parents are welcome to stay in the building if they wish, however space in the studio is limited – there are other spaces in the building you may like to relax in – maybe bring a book to read! You are welcome to pop in and check on your child at any time but please allow them space to be independent and creative 😊

Please note: North East Artisans Inc receives 20% commission on all participant fees forwarded to NEA by me following each session.
