Additional information for Studio Mosaic sessions

- First project for beginners may be a wall hanging or stepping stone approx. 30cm x 30cm (with all materials supplied for use during sessions). This sized project is often achievable to complete (without grouting) in one session; however, some participants may require more than one session to complete their project to this stage or may choose to complete their projects at home.
- You are very welcome to bring your own project to work on - please discuss your project with me prior to booking to ensure any necessary preparation is completed.
- Due to limited space in the studio, alternative session times *may* be required to cater for projects larger than 40cm x 40cm.
- Tools and a range of materials are supplied *for use during each session* – this includes ceramic tiles, crockery and a selection of salvaged materials.
- Grouting times will be arranged for a suitable day upon completion of individual projects and are *free for those who have completed their projects during my studio sessions*. I can also grout your project for you if you prefer.
- Each session is limited to a maximum of 4 participants and is suitable for participants over 14 years of age.
- As these are small group sessions, *please only book if you intend to come*.
- Sessions are 4 hours (lunch break 12.00pm – 12.30pm).
- Payment is cash to me at start of session.
- A waiver form is required to be completed at the beginning of your first session (a parent/guardian must sign this for under 18s)
- NE Artisans Inc receives 20% commission on all participant fees forwarded to NEA by me after sessions.
- If you are still reading...thanks! I'm looking forward to seeing you at one of my studio mosaic sessions!
